#### Broad band provision – Shirwell area

*With members approval the Chairman brought agenda item 14, Broadband provision in the Shirwell area to this point on the agenda and suspended standing orders to enable members of the Public to take part in this and the following item*

The Chairman introduced Mr I Crockett from Wild West Net who gave a short presentation and answered questions regarding the system used by Wild West Net for broadband provision in rural areas.

Briefly ..

- The system was 'line of sight' whereby a signal was bounced from receiver to receiver. The largest satellite dish was small (size of a large dinner plate) and had a range of 25 kilometres, smaller receivers were available giving 12 kilometres and 3 kilometres ranges
- Cost are a one off set up fee of £100.00 and for domestic users £25.00 per month, businesses users are £50.00 per month
- Customer's existing routers are unlikely to work so replacements can be bought for £40.00 through Wild West Net or sourced via the internet
- Existing broadband strengths are between 2 to 8 mbs in rural areas, this system gives 25 mbs.
- Maintenance attendance times are 24hrs for business users and 48 hrs for domestic users.

The Chairman thanked Mr Crockett for his time and he then left the meeting. A discussion followed and it was noted that an up to date report would be available from Vanessa Harrison (North Devon Council) regarding fibre broadband availability in the Shirwell area

## Public Question Time

Members of the public raised the following points

- Inconsiderate parking adjacent to the almshouses was obscuring the view of the Village Green and the commemoration seat. District Cllr Tucker undertook to speak to the person concerned
- Parking adjacent to the school was causing a problem for vehicles attempting to pass. It was noted that this issue had been raised before. **RESOLVED** that the Clerk raise this with County Councillor Davis and the PCSO for Shirwell
- A long discussion took place on progress with schemes for the Sec'n 106 money. The up-to-date position from the Councils point of view was given and it was agreed that Cllr Mrs Lewis (the Councils representative on the working party) would take the feeling of lack of progress to the next meeting of the Working Party.
- Comments were made that the present Council had not been subject to the electoral process. The Clerk reminded the member of the public who raised the question that as there were insufficient candidates to fill the number of vacancies on the Council the seats were filled by an 'uncontested election' A Councillor had since been appointed to the vacant seat through the co-option process.
- **RESOLVED** that an item be placed at the end of future agendas to allow members of the Public to comment regarding items on that agenda

*The meeting resumed under standing orders*

## Minutes of the meeting held on the 9<sup>th</sup> July 2015

**RESOLVED** that the minutes as previously circulated be approved and signed by the Chairman. *It was noted that the Chairman of the Sec'n 106 working party was Dr Needham, not Mr Needham as minuted*
